Dear Prospective Sponsor:

Thank you for your interest in sponsoring the Queens on the Greens Foundation's 2<sup>nd</sup> Annual Kings and Queens on the Greens Golf Tournament. The proceeds from the event will be used to provide scholarships for educational experiences for youth in Prince George's and Charles County, Maryland.

Queens on the Greens is empowering more women of color to learn and play golf. With chapters in Prince George's County, Maryland, Detroit, Michigan, and Chicago, Illinois, we are helping to diversify the sport while providing more opportunities for our members to improve their health with exercise and to network for business and career growth. With over 250 members and growing, the Queens understand the importance of doing well for themselves, but also for their communities.

Queens on the Greens Foundation, Inc. is a 501(c)(3) non-profit organization founded in 2021 to increase exposure to positive educational experiences for youth in an effort to expand their vision and goals. Not many people achieve success in life without help and financial support from others. The proceeds from this event will help young people participate in camps, classes, and experiences that would otherwise be financially impossible.

Please consider becoming a sponsor to help make this event both memorable and successful. There are several sponsorship levels and opportunities available for organizations and individuals to get involved. With your support, we can expose more youth to the huge world of possibilities outside of their own neighborhoods. Your contribution matters and could lead to a positive change in the life of a young person.

We welcome donations for the silent auction as well. If you would like ideas on the types of items and services to donate, please contact me to discuss a variety of options.

Thank you in advance for your consideration and support. I'm looking forward to an exciting and fun day of golf with Kings and Queens on September 29, 2023. If you have any questions, I can be reached at 301.362.6500.

Sincerely,

*Angela G. Solomon*
